

Piscataquis Amateur Radio Club
Regular Monthly Meeting
August 28, 2006

The regular monthly meeting of the Piscataquis Amateur Radio Club for August was called to order at 1903 hrs by our President, Bob Wilson KC1AU.

18 Members were present.

The minutes of the July meeting were accepted as read.

The treasurer's report was accepted as read. Ben reported that the net income from the hamfest was \$391.01.

President, Bob Wilson, KC1AU welcomed returning member, John Howard, KD1YW.

OLD BUSINESS:

President, Bob Wilson, acknowledged Inez and Stosh for their work on the club hats and patches.

The repairs and maintenance work on the repeater shack has been completed by Ben, WA1PBR.

Bob, K1DDC and Raym N1MRT donated an HF antenna to the club for portable use. They will set it up and check it out with an antenna analyzer.

Stosh read a letter received from Dave, K1FK regarding the hamfest.

A work party will be arranged to erect the new antenna at the repeater shack.

NEW BUSINESS:

Bob, KC1AU, informed the club that there will be a Family Emergency Preparedness Program offered at the Mormon Church in Milo on Sept. 9th, and asked if any club members were interested in giving a demonstration of Ham Radio Communications. He also reported on the upcoming SETS Event, and will keep us informed of plans for Maine's participation.

He then encouraged our Technician license holders to work on upgrading to General, and discussed recruiting options in the area.

The hardline coax that was donated to the club will be offered to Paul for use with the new antenna for the repeater.

NEW BUSINESS

SEPT. 9 2006. FAMILY EMERGENCY PREPAREDNESS. WOULD YOU LIKE TO
PUT ON A PRESENTATION The Mormon church which meets at Milo's Post 41 American
Legion is holding a workshop on family emergency preparedness on September 9, 2006 9:00
AM-2:00 PM. Tom Iverson is helping, I guess, too. They would like someone to come discuss
emergency communications.

*The main SET weekend to focus on this year is October 7 -8,
2006.*

The ARRL Simulated Emergency Test is a nationwide exercise in emergency
communications, conducted by ARRL Section Emergency Coordinators, and
by Net Managers. Both Amateur Radio Emergency Service® (ARES ®) and the
National Traffic System (NTS) are involved. The SET weekend gives
communicators the opportunity to focus on the emergency-communications
capability within your community while interacting with NTS nets.
