

Piscataquis Amateur Radio Club
Regular Monthly Meeting
October 23, 2006

The regular monthly meeting of the Piscataquis Amateur Radio Club for October was called to order at 1902 hrs by our President, Bob Wilson KC1AU, with 16 members and 3 guests present.

The minutes of the September meeting were accepted as read.
Due to the treasurer's absence, no report was given.

OLD BUSINESS:

Bob Wilson, Ben and Stosh made brief comments about the upcoming SET, and each made an appeal to the membership for more participation in this important event. We now have twelve commitments to participate.

Our President acknowledged the presence of Tom Belvin, WA1LFW from Brownville Junction.

The 2 meter radio at Mayo Hospital has now been installed and programmed for use in emergency communications. Ray Roberts, N1MRT will be manning the radio during the upcoming SET.

The antenna that was donated to the club was checked out by Bob Thornton and Ray Roberts, and it was determined that it was not suitable for the clubs needs. Bob Wilson renewed his suggestion that the club consider purchasing an Outbacker antenna for portable use. The cost for the antenna is approximately \$400.00.

NEW BUSINESS:

Ben informed the club that the question pool for the Technician exam changed on July 1st, and suggested that the club purchase two new technician manuals. A motion to that effect was made and seconded. Motion carried by unanimous vote.

A Heathkit 75m SSB radio and power supply were donated to the club, and Ben volunteered to check it out to determine if it is in working condition. The club will decide what to do with it after Ben's report.
